GROVE PARK STUDENTS STRENGTHEN READING SKILLS WITH *CHILDREN'S BOOKS ON TAPE*

West Palm Beach, FL,

**May 23
, 2014**

- Children's Books On Tape Inc. has made a very generous donation to Grove Park Elementary School. On May 12, 2014, Grove Park received five Children's Books On Tape Listening Libraries, each consisting of 50 recorded elementary level books and tapes in library storage bags along with a display rack, four tape recorders and tote bags valued at \$2,500. In addition, this is the third such donation that Children's Books On Tape Inc. has made to Grove Park Elementary School.

The recorded books on tape have been used in learning centers within the classroom with tape recorders and headphones to strengthen students' oral language skills and reading fluency. Sam and Faren Silverman began the project back in 2001 and it rapidly gained community support. "On behalf of the Grove Park faculty, administration and students, we would like to thank Faren, Sam, and Nina Silverman for their continuous generosity and dedication to the success of the students at Grove Park Elementary School," said Principal Eric Gross.

For more information please contact Mr. Gross at eric.gross@palmbeachschools.org or 561-904-7700.
